Dear Elizabeth and Howard,

Thank you very much for your recent donation of \$2,000.00 to the Hebrew Free Loan Association. When you make a contribution to Hebrew Free Loan, you become our partner in helping people get back on their feet and pursue their dreams.

In the midst of the current economic crisis, we are being inundated with loan requests, so your donation is especially helpful.

Whether dealing with the rising cost of education or an unexpected medical emergency, our clients are able to receive the critical help they need while maintaining a sense of dignity and independence.

Currently, we have more than 1,000 individuals with active loans totaling over 6.8 million dollars. Over the course of our history, well over 100,000 people have benefited from our services.

The Hebrew Free Loan Association has been in existence since 1897 and continues to be funded almost entirely by donations such as yours. On behalf of all of the people who will be helped by your generosity, thank you again for engaging in this, the highest form of *Tzedakah*.

Sincerely,

Arlene Krieger
President

Edward L. Cushman
Executive Director
